

Bendigo Bank Clubs SA Club Development Program

Building Stronger Clubs Across South Australia

Government of South Australia
Office for Recreation, Sport and Racing

The Bendigo Bank Clubs SA Club Development Program provides practical training designed to help clubs strengthen governance, improve operations and build long-term sustainability.

As legal requirements and community expectations continue to evolve, clubs need the right frameworks, systems and skills to succeed. This program delivers practical, structured learning tailored for Boards, Committees, Managers and key staff and volunteers.

Through a series of interactive workshops and webinars, participants gain the tools and confidence to manage their club effectively and implement improvements immediately.

WHY ATTEND?

- Interactive training delivered by industry experts and experienced facilitators
- Designed specifically for community and licensed clubs
- Practical knowledge you can apply immediately
- Take-home resources and tools to implement at your club
- Network with other club leaders and volunteers
- In-person sessions and webinars available

TRAINING MODULES

Governance & Leadership

Club Governance 101

Understand the roles, responsibilities and legal obligations of boards and committees and how to work together effectively to achieve your club's objectives.

Constitutions 101

Learn how your club's constitution works, the rules your club must follow, and how to correctly make changes.

Meetings 101

Run effective, compliant and productive committee meetings that support good governance and sound decision-making.

Club Management & Operations

Commercial Operations

Explore strategies to manage and optimise revenue-generating activities while improving member experience and supporting long-term sustainability.

Facilities Management

Learn how to manage club facilities effectively to meet legal obligations, maximise use, and protect valuable assets.

Financial & Strategic Sustainability

Finance 101

Understand budgets, financial reports and key financial indicators so committees can make informed decisions and fulfil their governance responsibilities.

Sponsorship Management

Discover how to attract, secure and retain sponsors while delivering real value and diversifying your club's income streams.

People & Culture

Navigating Conflict 101

Develop the skills to manage complaints, disputes and difficult conversations effectively while maintaining positive club relationships.

Additional training modules are continually being developed and added to the Club Development Program.
